

Do I need to request a Special Absentee Ballot?

Washington state voters vote by mail. All eligible voters are automatically mailed a ballot at least 18 days before every election. There is no need to sign-up or request a mail-in ballot. If you are unsure if you are registered or if your address is current, you can confirm your registration information here: voter.votewa.gov.

If you will not be able to access your mail during the 18-day voting period, need to receive your ballot at a different address, or need to access your ballot electronically, contact your [County Elections Office](#).

If it is within 90 days prior to a state Primary or General Election and you believe that you will be unable to access, vote, and return a regularly-issued ballot within the time provided by law, contact your [County Elections Office](#).
