WASHINGTON
Secretary of State

Elections Division

Updated 5/15/2024

In Washington state, we enjoy a unique tradition of promoting citizen involvement in our political system. Under the provisions of our state constitution, every registered voter has the right to run for office and to have their name appear on the August Primary and November General Election ballots without approval from a political party.

Washington residents also enjoy other special rights, such as the right to initiative and referendum, the right to recall elected officials, and the right to a state Voters' Pamphlet containing detailed information about ballot measures and candidates. These are important tools at the electorate's disposal.

This publication explains state election law relating to filing for office and submitting a Voters' Pamphlet profile. Please note, this publication is not a substitute for the statutes and regulations governing this process but rather should be read in conjunction with them.

If you have questions or need additional information, please contact your county elections office or the Secretary of State's Elections Division.

All candidates except those for Superior Court and federal office must properly register to vote in the geographic area represented by the office (**RCW 29A.24.075**).

You are responsible for contacting the district authority to clarify and understand additional qualifications.

Confirm or update your registration any time before filing. Contact your county elections office of residence for help or visit **VoteWA.gov**.

Declaration of Candidacy

All candidates must submit a Declaration of Candidacy during the regular filing period.

Filing officer — Where to file?

The Secretary of State accepts candidate filings for federal, statewide, state legislative, court of appeals, and superior court positions.

Your county elections office accepts filings for all other offices. All open offices may file online. Contact your county elections office for directions and hours of operation (page 22).

Filing method — How to file?

You may file your declaration one of three methods:

1. **Online** (recommended)
File online at **sos.wa.gov/elections/file-office**.

Online filing begins Monday, May 6, at 8 a.m. and ends Friday, May 10, at 5 p.m. sharp. You will need an email address and credit card.

See online filing instructions (page 5). For best results, use a PC or laptop with Google Chrome or MS Edge.

2. **By mail**

3. **In person**

The Office of the Secretary of State is open Monday through Friday from 8 a.m. until 5 p.m.

1 (800) 448-4881
elections@sos.wa.gov

Washington Secretary of State's Office
Legislative Building
416 Sid Snyder Ave SW
Olympia, WA 98501

Approval

After your filing fee is paid and declaration approved, you will receive a confirmation email and your name will appear on the official list as a candidate who filed for office.

Ballot order

After the close of the candidate filing period, a public lot draw determines the final ballot order of candidates in the Primary Election. The highest vote-getter from the Primary will move to the top of the race for the General Election. If the race does not have a Primary, the lot draw order applies to the General Election.

Filing fee

You must submit your filing fee with your Declaration of Candidacy.

Cost of filing

The salary of the office determines the filing fee.

Offices without a fixed annual salary have no filing fee.

For any office with a fixed annual salary of \$1,000 or less, candidates pay a filing fee of \$10.

For all offices with salaries exceeding \$1,000, candidates pay a fee equal to one percent of the office's fixed annual salary.

Specific filing fees are on the list of offices open for election at sos.wa.gov/elections. Filing fees for offices filed with your County Auditor are available from your county elections office (page 22).

Accepted forms of payment

Online filing

- Credit card

In person or by mail with the Office of the Secretary of State

- Check
- Cash
- Money order
- Valid filing fee petition

If you file with your county elections office, contact their office to determine payment methods.

Filing fees are nonrefundable, even when you withdraw or file for the wrong office.

Payment must be received in full before the filing deadline.

Petitions in lieu of filing fee

Candidates without sufficient assets or income may submit a filing fee petition to pay the filing fee.

You may not file signature petitions electronically.

You may not combine petition signatures and money to satisfy the filing fee.

Only signatures of registered voters in the same jurisdiction as the office are valid. Each petition sheet (**Appendix A**) must:

- Be printed on uniform paper size and color
- Include a place for each voter's registration name, address, city, and county
- Provide 20 numbered lines or fewer
- Display the required warning and statement found in **RCW 29A.24.101** and **29A.72.140**.

A printable petition form is available online at sos.wa.gov/elections/file-office as well as in this document on Appendix A.

Petitions must include a total number of valid signatures no fewer than the dollar amount of the filing fee.

The filing office verifies each signature with the voter record. No person may sign more than one nominating petition for the same office.

You may submit more signatures beyond the required minimum to compensate for possible rejections. Without the required number of verified signatures, the petition is insufficient and your Declaration of Candidacy is invalid.

No additional signatures are accepted after initial submission at time of filing.

Petition sheets are not returned to the candidate.

Online filing is fast and easy!

The online filing tool will give you step-by-step instructions, email confirmations, alert you when other candidates file in your race, and provide a link to submit your Voters' Pamphlet content.

A – Candidate Information

The portal will automatically populate your voter registration address and mailing address. If this is incorrect, stop here and contact your county elections office to update your voter registration before proceeding.

Section 1 – Ballot Name

Enter your ballot name exactly as you wish it to appear on the ballot. You may use a nickname by which you are commonly known as for your first name, but the last name must be the name under which you are registered to vote.

Titles denoting occupations, including military rank, positions on issues, political affiliation, symbols, or anything intentionally designed to mislead voters are not acceptable and will be removed prior to placement on the ballot or in the Voters' Pamphlet.

Section 2 – Contact Information (for administration)

Provide an official **candidate** email and phone number for direct communication with the filing office. We will use this email address to send confirmations of receipt, notice of approval, Voters' Pamphlet submission links, and direct emails from our office.

Step 4: Candidate Information, continued

Section 3 – Campaign Contact Information (for voters)

You may provide an alternative **campaign** email and phone number **for voters**. This optional field allows you to display an alternative method of contact different from your candidate contact. They may be the same if you wish.

We strongly recommend that you provide a campaign email address, phone number, and website for publication.

You may update campaign information until the Friday after the Primary Election to appear in the printed pamphlet. Changes after this deadline will appear in the Online Voters' Guide only.

This information is displayed on the Who's Filed Candidate List and printed in the statewide Voters' Pamphlet.

Section 4 – Campaign Mailing Address

For online display on the Who's Filed Candidate List and Online Voters' Guide, you may choose to display a campaign address instead of your voter registration address.

You may not use government offices for campaign or candidate information.

Section 5 – Party Preference

Nonpartisan offices will not provide a party preference.

If you are filing for a partisan office, you may state the party name you prefer using 18 characters or less.

The first letter of each word of the party preference will be capitalized (example: Progress For All). Acronyms or initialisms will appear in all caps with or without periods.

You may not edit your party preference after the deadline for withdrawal of candidacy.

Your party preference will appear on the ballot and in the Voters' Pamphlet.

If you choose not to state a party preference, select the checkbox next to that option. "States No Party Preference" will appear with your ballot name.

Party preference plays no role in determining how candidates are elected to public office.

Party preference is entirely your decision and does not imply you have been nominated, endorsed, or approved by the party.

Statement

George Washington, a retired general, had no wish or aspiration beyond the humble and happy lot of living and dying a private citizen at his Mount Vernon farm. However, his peers and the American people at large spread rumors declaring George Washington would likely be elected first President of the United States (much to the dismay of Washington himself). George Washington could not escape his conscience. In a formal letter of acceptance, Washington succinctly assented to what he had agonized over for more than a year. Washington concluded to obey the important and flattering call of his Country.

George Washington, as the first president, was well aware of the great responsibility of defining the American presidency. "I walk on untrodden ground," was a frequent comment he made in the days leading up to his first inauguration. Washington believed that the precedents he set must make the presidency powerful enough to function effectively in the national government, but at the same time these practices could not show any tendency toward monarchy or dictatorship. In addition to defining the actual powers of the office, Washington also needed to show the new nation how the leader of a democracy should behave socially.

Preview

Review your information in the submission preview (lower right section of browser window).

Proofread carefully. Your statement and biography prints exactly as submitted. Changes after the submission deadline are not allowed unless requested by the Office of the Secretary of State or required by court order.

Click **Submit** when ready.

After submission

Check your **candidate** (not campaign) email address for a confirmation of receipt about 15-30 minutes after you submit. Check your junk or spam folders and add us to your contacts.

The Voters' Pamphlet administrator reviews all submissions for compliance before accepting the profile. This may take up to two weeks.

Before the end of June, you will receive a final email to preview your profile in the system. Check the preview and alert us immediately if our office has made a processing error.

The statement you submit will display online no later than 45 days before the Primary and will be printed in the Voters' Pamphlet if you advance to the General Election.

Candidates moving on to the General Election may not submit changes or revisions to their original statement.

If your primary race receives a write-in opponent who receives enough votes to appear in the General Election, you may submit a new statement for the General Election pamphlet.

- Statements are not public until after the submission deadline.

Washington's Top 2 Primary

Washington State's Top 2 Primary is a process of winnowing a field of candidates. The two candidates receiving the highest number of votes cast in a primary race will advance to the General Election ballot. Party preference plays no role in determining how candidates are elected to public office.

Public record

All material and information provided between you and the filing office is public information.

Address Confidentiality Program (ACP)

Any candidate who qualifies for the ACP must complete the ACP enrollment process before filing their declaration. Anything you submit before you enroll is public record. ACP candidates file with paper forms. Contact your filing office for instruction.

Withdrawal of candidacy

If you decide you no longer want your name on the ballot, you must submit a signed withdrawal form to the office where you filed by the end of business on the Monday immediately following Candidate Filing Week (May 13). The Withdrawal of Candidacy form is available below and at sos.wa.gov/elections/file-office.

Filing fees are nonrefundable, even if you filed for the wrong office (**RCW 29A.24.131**).

If you file for the wrong office or position, you must withdraw and file again.

Write-in candidates

If you do not file before the last day of the filing period, you may file a declaration of write-in candidacy. Write-in candidates do not appear online or in Voters' Pamphlets. Only candidates printed on the ballot will appear. Visit our website for more information at sos.wa.gov/elections//file-office.

Dear Candidate:

The Washington State Department of Transportation (WSDOT) wishes to take this opportunity to advise political candidates about the placement of campaign signs and placards along state highways.

Revised Code of Washington (RCW) **47.42**, the Highway Advertising Control Act, regulates signing on Interstate Highways, primary highways, and highways that are part of the Scenic and Recreational System. Signs erected on private property that are adjacent to these highways must comply with the Highway Advertising Control Act, rules contained in Washington Administrative Code (WAC) **468-66**, and applicable local agency sign codes.

In accordance with **WAC 468-66-050, *Sign Classifications and Specific Provisions***, temporary political campaign signs are identified and regulated as a type of on-premise sign intended to express a property owner's endorsement of a political candidate or initiative. Prior to placing signs, WSDOT recommends checking with the property owner for approval and to determine property line locations. Campaign signs are allowed under the following regulations:

- 1) Temporary political campaign signs are limited to a maximum size of thirty-two square feet.
- 2) Temporary political campaign signs must be removed within ten days following the election.
- 3) Sign installers must have permission of the underlying property owner prior to placing signs.
- 4) Temporary political campaign signs are subject to all other applicable provisions of **RCW 47.42** and **WAC 468-66** that pertain to Type 3 on-premise signs.

In addition to the above restrictions, **the erection of temporary political campaign signs within the right-of-way of all state highways is prohibited. Accordingly, signs placed within the right-of-way of any state highway are subject to removal by the Washington State Department of Transportation.**

Also, **RCW 47.36.180(1)** states in part that it is unlawful to erect any structure, sign, or device visible from a city street, county road, or state highway that simulates any directional, warning, or danger sign likely to be mistaken for such a sign. Therefore, a campaign sign cannot be designated in a manner that resembles an official traffic control sign.

If you should have any questions about placement of campaign signs along state highways, please contact Trevor McCain at 360-705-7282 or email Trevor.McCain@wsdot.wa.gov.

We sincerely hope that candidates for public office will observe the laws and regulations enacted to limit driver distraction, and protect and preserve the roadside beauty of our state. Thank you in advance for your courtesy in this matter.
